MARK & LYDIE VERSLUES

A NEW ASSIGNMENT

We have agreed with our AGWM leadership to change countries. We are still missionaries in Central Africa, we are only crossing a river, a very big river, the Congo River. We were missionaries to the Democratic Republic of the Congo and now we are missionaries assigned to the Congo. Cur-

rently there are no AGWM missionaries in the country and we will be part of a new team that is being established in the capital city of Brazzaville. Our desire is to work with the national church in its efforts to plant churches and disciple young men and women. There is currently one other family, Eric and Amy Spencer, who are also preparing to go to the Congo to work with children. We are excited to partner with them and

anyone else who may join the team in the future.

We have recently arrived to the United States and have started itineration. We proclaim the Word of God, we praise the name of Jesus, and we partner with other disciples to build the Kingdom of God. Whether we are in Africa,

France or stateside, this is what we do. Part of the reason we are here is because we must raise money for our budget. Now we are two, that makes everything we do a little more expensive, so before we can return to Africa we must be financially cleared to go. We are currently traveling to

churches across America, preaching about missions, worshipping Jesus and raising money to get to the Congo. If you would like for us to come to your church to share more about what God has laid upon our hearts, we would love any opportunity that you would give us. Lydie can be a part of worship and Mark is available to teach and / or preach in any setting that you

would like.

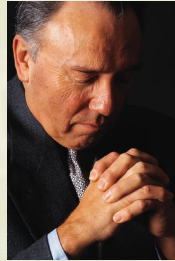

Our commitment is unto the Lord. We are disciples of Jesus Christ and we follow Him. He is the way, the truth and the life. Our eyes stay fixed upon Him and we know that He will direct our path. We know that in all that we do He will instruct us and teach us in the way that we should go, and He will watch over us. We are excited about this new opportunity to serve the Lord and we look forward to seeing what God does with our lives. Please keep us in your prayers and if you don't already support us financially, please consider partnering with us to make the Gospel known.

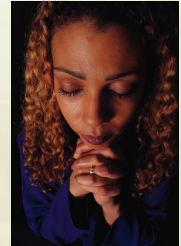

PRAYER REQUESTS

1)Pray that Lydie adapts well to living in the United States.

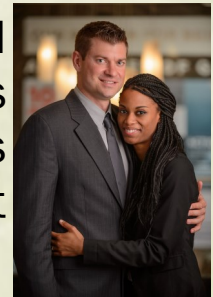

2)Pray that God would fill our calendar with opportunities to preach His Word and to Worship His great name.

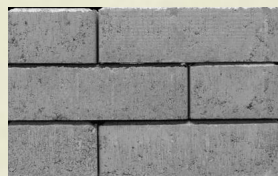

3)Pray that God would raise up partners that will support us in prayer and financially.

4)Pray that the will of God would be accomplished in our lives and that the name of Jesus would be glorified in all that we do.

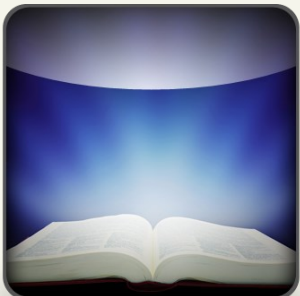

Thy Word is a lamp unto my feet, and a light unto my path.

Psalm 119:105 (KJV)
